Concordia Seminary is pleased to announce a visitation event for men and women college age and older thinking about becoming pastors or deaconesses: Green and Gold Days. Throughout the year, Concordia Seminary will host three one-day events that will provide a quick opportunity for participants to come and see all the Seminary offers. They will interact with current students, attend classes, worship in chapel, and speak with members of the faculty. We will end the day with dinner and conversation.

One unique feature of Green and Gold Days is that pastors and pre-seminary advisors are encouraged to attend with those they are encouraging to consider ministry.
