Seminary Women’s Association

“SWA” is short for the “Seminary Women’s Association.” All wives, fiancées and girlfriends of students, female students, faculty and staff wives and female staff members at Concordia Seminary are automatically part of this wonderful group. The purpose of the organization is to foster Christian growth by building each other up in Christ, to provide opportunities for Christian fun and fellowship and opportunities for service within the Seminary community. Our wish is to encourage spiritual, intellectual and emotional development. In order to accomplish this, we focus on three areas:

Growth
We believe that both faith and intellect must be nurtured if they are to flourish. Through our meetings and our Bible studies, we hope to foster spiritual and intellectual growth. What a blessed place this is for receiving new insights.

Fellowship
We seek to build one another up—to share, to worship together, to relax and have some fun, and to know one another, our God and ourselves a bit better. We encourage fellowship through Bible studies, meetings, the Sem Sis connection, our newsletter, and various social events we sponsor. In addition, we encourage all ladies to attend Family Night, Sem women’s classes and other Seminary sponsored events.

Service
We are optimistic that through Christian service to one another and to the Seminary community at large, we are able to aid in maintaining a Christ-centered environment at Concordia Seminary. We strive to accomplish this through the Sem Sister connection, the Prayer Chain, and several activities associated with the Sonshine program (such as taking meals to families undergoing illness or experiencing the arrival of a new baby). In addition ladies volunteer their time at the Seminary’s Food Bank and Re-Sell-It Shop. Having and helping great neighbors is one of the greatest blessings of this special community.

Info
Announcements, newsletters, website, emails, internet groups, and real friends.

Bible Studies
Strengthen and renew your faith in small groups, bigger groups, and lectures.

Prayer Chain
Support groups for sending up incense to heaven.

Sem Big/Little Sister Program
Benefit from the experience of another seminary wife.

Sonshine Connection
Provide meals for new mothers or families experiencing illness or other hardship.

Second Home Program
Connects single students with married couples/families to create a “home away from home” for students.

Social Events
How about Game Night, Winter Ball, Faculty Christmas Home Tour, Scavenger Hunt, Children’s Christmas, and more?

Special Seminars
Fine-tune your skills in special workshops like Entertaining on a Budget, Vicarage Panel and others.

We can’t wait for you to join us!
