Advising
As soon as the tentative course list for the 2011-12 academic year is available, the Graduate School office will begin scheduling appointments for advising. M.A. students should make appointments with Deaconess Ruth McDonnell (McDonnellR@csle.edu) and S.T.M. and Ph.D. students should make appointments with Dr. Lessing (LessingR@csle.edu).

400-level Course Upgrades
S.T.M. students and M.Div. dual-credit students must “upgrade” their 400-level courses. Forms are available on the Graduate School Portal at: http://portalold.csl.edu/Gradschool/Pubs/Forms/gradschool-STM.htm. The forms are almost identical except for the heading. Please be sure to use the appropriate one.

Fall Orientation for New Students
New students, please mark your calendars now for Fall Orientation! It is scheduled for Wed., Aug. 31 – Fri., Sept. 2. More information will be sent directly to new students. Keep an eye out for it!

Email Addresses
Concordia Seminary has a practice of using only the Seminary assigned email addresses; however, it is very simple to have that email forwarded to any other address that you would like to use. Just log into your CSL email through the Seminary’s web page at www.csl.edu. Click “options” in the upper right by your name. Then click “organize email” on the left side. Click “inbox rules.” Then click “new” under “inbox rules.” A new window will pop up with two drop down menus. In the first select “apply to all messages,” and in the second select “redirect message to.” A window will come up with the Seminary directory. Simply go all the way to the bottom and type the desired email address into the box next to “To:.” Click OK in the lower right and save the new rule. That way all correspondence sent to your CSL account will go directly to your preferred email address.
