“Great and efficient resource; thought it was worth every penny; want to use it for my own marriage.”

“Exceptional program, the best thing in premarital counseling that I’ve come across.”

“As a pastor, I wish I had been using this for the last 20 years. As a Seminary faculty member, I encourage my students to get the training and use Prepare/Enrich.”
Prepare/Enrich Workshop

This workshop is designed to help facilitators learn how to use the Prepare/Enrich program with premarital and married couples.

Prepare/Enrich is a program based on a set of five inventories that examine major relationship issues a couple may experience. These inventories must be administered by a trained Prepare/Enrich counselor and includes 4-6 feedback sessions in which the counselor facilitates discussion between the couple based on the inventory results.

Materials received at the workshop include:

- Comprehensive Counselor Manual
- Five inventories: for premarital and married couples at all stages of life.
- Building a Strong Marriage Workbook

The Reverend Jeffery S. Schubert currently serves as executive pastor at Divine Redeemer Lutheran Church in Hartland, Wis.
