WHAT ABOUT MY FAMILY?

Has this question been nagging you for awhile? Maybe it’s holding you back from making the decision to attend Concordia Seminary. Questions like where your kids will attend school, where your spouse can find a job, and where you will live are all very important when considering your family’s next steps.

Next Steps is designed to set your mind at ease. This two-day event will provide you with an opportunity to connect with our Concordia Seminary community. From visiting the campus to experiencing life with seminary families, we hope you will find answers to your most important questions. As a bonus, you will have an opportunity to take in one of the free attractions St. Louis has to offer.

During the Relocation Orientation on Friday afternoon, you will learn a lot of useful information about housing, moving companies, how to find employment, healthcare and childcare information, schools, and much more. Kids will have supervised recreation time during the informational sessions. The Panel Discussion will feature current Seminary families, answering your questions with honest answers as they have been in your position!

On Friday night, you are invited to attend an informal BBQ in the Woods (the nickname for married student on-campus housing). BBQ’s in the Woods are held every Friday night in the fall and spring, and that’s just one example of the many activities geared toward Seminary families. Saturday will include fun events for your whole family. A farewell picnic in Forest Park will conclude the formal visit.

As Paul instructs Timothy, a pastor “must manage his own household well, with all dignity keeping his children submissive, for if someone does not know how to manage his own household, how will he be able to care for God’s church?” 1 Timothy 3:4-5

We pray this event will give you answers on caring for your family while attending Concordia Seminary!
