Development Report. Mrs. Biggs presented an update on Strategy 4, Growing Financial Resources. The largest fundraising effort in the Seminary’s history concluded December 31, 2020, and it made history. The initial Generations Campaign (2012-2017) and its extension Generations 2020 (2018-2020) raised an aggregate total of $285 million. After eight years, we have increased the endowment from $70 million to approximately $150 million. By 2025, we will seek to grow the endowment to $200 million. The campaign
has allowed us to support the guaranteed tuition program, renovation of historic faculty homes, library renovations, four endowed chairs, and other vital work. A final report for donors will be ready this spring. The board thanked Mrs. Biggs and her staff for their hard work throughout the campaign.

The board recessed for Chapel at 9:25 a.m.

He has convened an Enrollment Management Committee, consisting of himself along with the Provost; Chief Operating Officer; Chief Financial Officer; Chief Communications Officer; Director of Research, Planning and Academic Programming; the Dean of Ministerial Formation; and the Dean of Advanced Studies. The committee will meet at least monthly to consider strategic level items relating to enrollment, financial aid and costs, and marketing. Discussion continued regarding interaction with the CUS schools and use of Synod-wide resources to identify potential students.

Rev. Glenn then discussed the use of recruitment ambassadors: 7 pastors (including representative graduates from the M.Div., EIIT, and SMP program), along with a deaconess. They are deployed strategically in various regions of the country. He also distributed copies of the new pamphlet he has written, “Drop Your Nets and Follow Me”. The board thanked Dr. Haupt and Rev. Mr. Louis led a discussion of the December 31, 2020 financial statements and investment returns, and noted that the size of the Seminary’s endowment requires an updated investment policy. The proposed new Investment Policy would allow the Seminary to invest in debt relating to our own capital improvements, as well as student loans, if desired. On behalf of the Finance Committee, Mr. Paradis moved to adopt the new Investment Policy; after discussion the motion [21-08] carried.

Dr. Edmon moved to approve the housing allowance request for Dr. Kent Burreson; the motion [21-09] was seconded and carried.

The Association of Theological Schools has changed its standards so that the M.Div. degree is no longer a required prerequisite; a Master of Arts is now permissible. We are retaining the M.Div. requirement, and are not admitting female students to this program. Mr. Stern noted the D.Min. learning outcomes and the need for the Seminary clearly to define what each graduate degree from the Seminary does and does not connote with respect to the recipient’s theological position.

The window glass and surrounding resin appear to be structurally sound. Six new nave windows remain to be installed, so the project will continue for at least a year.

Mr. Hegland moved to enter executive session; the motion was seconded and carried.

The board entered executive session at 1:35 p.m., with guests and Dr. Rutt present. Mr. Louis and Mr. Cattoor were excused from the meeting.
