HOW THE EARLY CHURCH READ THE BIBLE

DR. DAVID MAXWELL

Professor of Systematic Theology
Louis A. Fincke and Anna B. Shine
Professor of Systematic Theology

The Bible has been around for more than 2,000 years, and people have read it in different ways. This course explores how the church read the Bible in the first 500 years of its history. By entering into the mindset of Christians in a very different time and place from our own, we can gain fresh eyes for our own reading of Scripture.

This event is free for all
